Dear xxxxxx

Freedom of Information request: Gender options on patient forms (CORP 2023 - 198)

Thank you for your request for information which the Trust received on 1/12/2023.

Your Request:

Please provide a list of all gender options you list on patient forms.

Please find the Trust's response below:

Department	Gender options
Radiotherapy	Male/Female tick boxes
Radiology	Male/Female tick boxes
Psychology	Male/Female tick boxes
Therapies	No gender options are collated. A title box is left blank for patient to complete
Integrated Care	A mix of both pre-printed patient labels and use of male/female tick boxes.

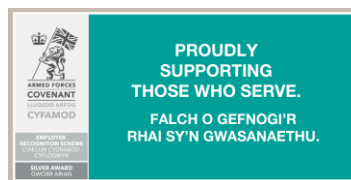

*this is not used and is covered with a barcoded addressograph with patient details including gender. These are sourced from RadiS (our informatics computer system) which is populated from the Welsh Clinical Portal. RadiS has three gender options (male, female, all genders)

I trust this answers your request for information, however, should you not be satisfied with the information supplied or the process of supplying it, you have a right to complain and request a review. Please note that you must submit a request for a review within 40 days of the date of this letter.

You should forward your complaint to:
