Dear *****,

Freedom of Information request: Analysing trends in cancer treatments (CORP 2023-114)

Thank you for your request for the following information which the Trust received on 12th July 2023.

Your Request:

I am currently analysing trends in cancer treatments across the UK. Could you please answer the following question please:

In the past 3 months, how many early-stage (non-metastatic or Stages 1-3) Non-small cell lung cancer patients received the following treatments:

Atezolizumab

Durvalumab

Chemotherapy (Platinum, Taxane, Vinorelbine, Gemcitabine, Pemetrexed) only

The Trust has reviewed your request which is correctly formatted and complies with Section 8 of the Freedom of Information Act.

Our response is as follows:

The Trust does not record the data requested in a format that enables the information to be easily retrieved to the level of detail required to specifically answer your request, and to carry out this task, would require a manual review of patient data and would take approximately 25 hours.

In reaching this decision we estimate that it would take a minimum of 20 hours or £550 an amount of £100 over the core amount of £450 extra to obtain the data. The amount would require payment in full prior to the Trust undertaking the work.

As result, the Trust is applying a Qualified Exemption under Section 12 (Exemption where cost of compliance exceeds appropriate limit) In particular the legislation states:

12 Exemption where cost of compliance exceeds appropriate limit.

(1) Section 1(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit.

The Trust has a duty to advise and assist you under Section 16 of the Act, therefore may I suggest that you consider the option to revise your request so that it falls below the prescribed appropriate limit.

To provide you with the necessary guidance, Page 23, paragraph 6.9 of [Section 45 \(Code of Practice\) on Request Handling under FOI](#) states:

6.9 Where a request is refused under section 12, public authorities should consider what advice and assistance can be provided to help the applicant reframe or refocus their request with a view to bringing it within the cost limit. This may include suggesting that the subject or timespan of the request is narrowed. Any refined request should be treated as a new request for the purposes of the Act.
