Dear xxx

Freedom of Information request: Treatment of Non-UK Nationals (CORP 2024 – 072)

Thank you for your request for information which the Trust received on 4th April 2024.

Your Request:

For both questions I would like the figures for each year, not one figure covering all three years.

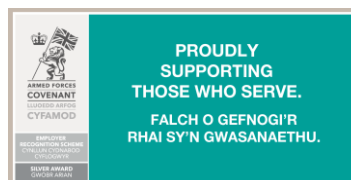

- 1. Please provide the total number of patients treated with a non-British national code (i.e. not White British, Asian British or Black British etc.) for the last three financial years, or the last years for which you have statistics. Please also provide the total number of patients treated.*
- 2. What is the total amount in charges you have issued for treatment given to non-UK nationals for the last three financial years, or the last three years for which you have statistics. What is the amount that you have successfully recovered over the same time period?*

Please find the Trust’s response below:
