The Trust notes that the information requested formed part of a previous request, to which a response was sent to you on 29th December 2023 (CORP 2023 – 186). As such, the Trust is applying a Qualified Exemption under Section 14(2) of the Freedom of Information Act, which states:

(2) Where a public authority has previously complied with a request for information which was made by any person, it is not obliged to comply with a subsequent identical or substantially similar request from that person unless a reasonable interval has elapsed between compliance with the previous request and the making of the current request.

The application of a Qualified Exemption under Section 14(2) is because a reasonable interval has not elapsed since the last time identical information was provided to you.
