Dear xxx

Freedom of Information request: ICD10 diagnoses discharge codes and cases (CORP 2024 – 143)

Thank you for your request for information which the Trust received on 30th July 2024.

Your Request:

ICD10 first diagnosis discharge codes and cases per hospital in your health authority.

Any information must be totally anonymised; however I am requesting the name or the postcode of each hospital as it pertains to the data set.

The first set comprises diagnostic data.

There are three columns:

PROCEDURE5: Primary diagnosis ICD-10 4 digit: Number of cases

The other data set deals with procedures/surgery.

It has a similar structure:

PROCEDURE5: Primary procedure OPCS-4 digit: Number of cases

The ICD 10 data comprises the range A000 to Q999.

It would be good to obtain the data for the last five years, i.e. 2018-19, 2019-20, 2020-21, 2021-22, 2022-23.

Please find the Trust's response in Appendices 1 & 2.

Where the figure provided is less than 6, and where simple calculations could identify fields that contain less than 6, the Trust has applied an exemption under Section 40(2) (personal data) of the Freedom of Information Act 2000. This is because the Trust believes there is a potential risk of individuals being able to be identified if the figures were disclosed.

I trust this answers your request for information, however, should you not be satisfied with the information supplied or the process of supplying it, you have a right to complain and request a review. Please note that you must submit a request for a review within 40 days of the date of this letter.

Mae Ymddiriedolaeth GIG Prifysgol Felindre yn hapus i dderbyn gohebiaeth yn y Gymraeg neu'r Saesneg.
Velindre University NHS Trust is happy to receive communication in Welsh or English.
