Dear xxx

Freedom of Information request: Instances of Cancer in CF83 (CORP 25/26 – 190)

Thank you for your request for information which the Trust received on 29th November 2025.

Your Request:

Please release all data in the last 20 years showing the incidence and types of cancer cases recorded relating to these postcodes:

CF83 1LG
CF83 1PL
CF83 1PP
CF83 1HS
CF83 1HQ
CF83 1HX
CF83 1LD

Please find the Trust's response below:

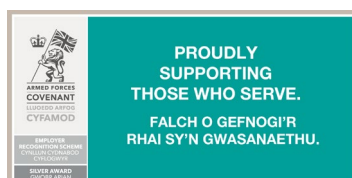

Our system does not record the data in a way that would specifically answer your query.

As an alternative, we could provide the number of referrals received for patients living in those postcodes, however this would not exactly confirm incidence as there may be cancer patients included who were not referred to us. This request may therefore be better suited to the Local Health Board (who refer patients to us for treatment).

However, please note, should you request the alternative data, it is likely an exemption due to low numbers would be applied as your query relates to a small geographical area which could make patients identifiable if the information were to be disclosed.

I trust this answers your request for information, however, should you not be satisfied with the information supplied or the process of supplying it, you have a right to complain and request a review. Please note that you must submit a request for a review within 40 days of the date of this letter.
