Dear xxx

Freedom of Information request: Blood Donation Statistics (CORP 25/26 – 168)

Thank you for your request for information which the Trust received on 8th November 2025.

Your Request:

- The number of blood donations by type received in each area of Cardiff in 2023, 2024, and 2025, by year.
- The demand for blood by type in each area of Cardiff in 2023, 2024, and 2025, by year.

Please find the Trust's response in Appendix 1.

Where the figure provided is less than 6, and where simple calculations could identify fields that contain less than 6, the Trust has applied an exemption under Section 40(2) (personal data) of the Freedom of Information Act 2000. This is because the Trust believes there is a potential risk of individuals being able to be identified if the figures were disclosed.

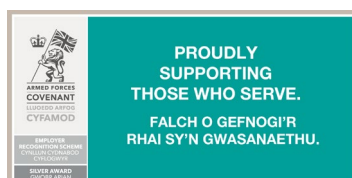

I trust this answers your request for information, however, should you not be satisfied with the information supplied or the process of supplying it, you have a right to complain and request a review. Please note that you must submit a request for a review within 40 days of the date of this letter.

You should forward your complaint to:

Mr Ian Bevan via FOI.VUNHST@wales.nhs.uk
Head of Information Governance

Caveats:

Data complete up to 17/11/2025, 2025 data does not represent a complete year.

ONS data has not been updated since 2022, electoral wards/postcodes in cardiff area may have changes since this time

Any data quality issues within the ONS data may be present in the data provided for this FOI.

In the absence of demand data, issuing data to hospitals has been provided as a proxy, but this is not an exact match

Issuing data could not be broken down further than the hospital the blood product was issued to

Donation Data contains NULL blood groups, for cases where the blood group was unable to be confirmed, or the donation was discarded for other reasons

Assumptions:

'Type' assumed to mean blood group

Donations received is assumed to mean completed donations only

ONS data allows the data to be broken down into Electoral Ward of Cardiff based on the Donation venue postcode

Data quality issues identified within the donation data have been removed

Cardiff area for issued units is assumed to be all hospital destinations under Cardiff & Vale health board

Defintions:

Completed Donations = Full donation given, includes viable and unviable donations

Cardiff area for Donations received = donation venues within Electoral Wards with a local authority of Cardiff, provided by the ONS data 2022

Cardiff area for blood components issued = All hospitals under the Cardiff & Vale health board

IssuedComponent_Units = Count of all issued blood components including red cell units, platelet units etc, excluding imports (not collected by WBS) and exports (to organisations outside of Wales)
