As warned in our previous response to you, the Trust is applying an exemption under Section 14(2) Freedom of Information Act 2000 which states:

- (2) *Where a public authority has previously complied with a request for information which was made by any person, it is not obliged to comply with a subsequent identical or substantially similar request from that person unless a reasonable interval has elapsed between compliance with the previous request and the making of the current request.*

Mae Ymddiriedolaeth GIG Prifysgol Felindre yn hapus i dderbyn gohebiaeth yn y Gymraeg neu'r Saesneg.
Velindre University NHS Trust is happy to receive communication in Welsh or English.

The Trust receives the same/similar requests from you every few months, requesting 6 months' worth of data, therefore the application of a Qualified Exemption under Section 14(2) is because a reasonable interval has not elapsed since the last time identical information was provided to you.

The Trust recommends revising the frequency of requests so that a reasonable interval has elapsed to enable the Trust to provide information to you whilst be mindful of its resources in providing such information. The Trust recommends at least 6-9 months between requests.

I trust this answers your request for information, however, should you not be satisfied with the information supplied or the process of supplying it, you have a right to complain and request a review. Please note that you must submit a request for a review within 40 days of the date of this letter.

You should forward your complaint to:

Mr Ian Bevan via FOI.VUNHST@wales.nhs.uk
