

Uned Radiotherapi Velindre @ Nevill Hall Radiotherapy Unit

Opening in 2025, the new £38 million Velindre @ Nevill Hall Radiotherapy Unit will increase our capacity to deliver radiotherapy services to the patients of south-east Wales.

ACCESS TO TREATMENT

Increased capacity means you should be able to start your treatment sooner.

COMPREHENSIVE CARE

Access a full range of radiotherapy services in one place.

SUPPORT AND EDUCATION

Get the information and support you need throughout your treatment.

WHO IS THIS FOR?

The Velindre @ Nevill Hall Radiotherapy Unit will increase Velindre Cancer Service's ability to deliver radiotherapy, helping us see more patients each week. The service will benefit patients from across south east Wales who are referred to Velindre Cancer Service for their radiotherapy treatment.

The Unit will see breast cancer, prostate cancer and palliative radiotherapy patients who meet a set of clinical criteria.

Patients referred to Velindre Cancer Service will be given an appointment at either Velindre Cancer Centre in Whitchurch or the Velindre @ Nevill Hall Radiotherapy Unit.

The decision on which location a patient is referred will be based on three key factors:

MEDICAL NEED

Every patient referred for radiotherapy with us is different. Upon referral into our care, we'll assess your medical needs and give you an appointment at the location that is most suitable for you.

AVAILABILITY OF APPOINTMENTS

Our priority is to help patients start their treatment as soon as we can. This means you will be offered treatment at the location that can see you soonest.

LOCATION

Where there are appointments available at the Cancer Centre in Whitchurch and at the Velindre @ Nevill Hall Radiotherapy Unit, we will try to refer you to the one which is closest to your home.
